SEBASTOPOL

Sebastopol is located 1 hour north of the Golden Gate Bridge in Sonoma Wine Country. Wischemann Hall, featuring a beautiful wood floor, was built by the Sebastopol Saucy Squares with an all-volunteer effort in 1979.

Wischemann Hall *is* air conditioned, but generally we enjoy a more moderate coastal climate than even 10 miles more inland. We are located 15 miles from Bodega Bay (where Hitchcock's *The Birds* was filmed), and the coastal fog keeps the temperature generally cooler.

LODGING

Sebastopol has two hotels, both a few minutes' drive from the Hall. There are hotels with a variety of rates in Santa Rosa and Cotati, all approximately 7 miles from the Hall. More information can be found at challengewinecountry.com/biz.

There are also many inexpensive cottage rentals in the area — check out homeaway.com, vrbo.com or airbnb.com.

Wine Tasting in Sonoma County

August is a great time of the year to visit the tasting rooms of great Sonoma County labels. **Iron Horse & Martinelli Vineyards** are located just a few miles outside of Sebastopol, as is **Corks Restaurant at Russian River Vineyards**.

If you venture a bit further to Healdsburg, just 20 miles away, you can follow the the Dry Creek Road Wine Trail to Lake Sonoma and visit **Quivera, Michel-Schlumberger** and **Ridge** tasting rooms.

Visit challengewinecountry.com for more things to do and see in Sonoma County.

We have space for a limited number of RVs in the Wischemann Hall lot.
