1.12 ***Proposed development of a new committee to address the issues of developing new clubs and strengthening existing clubs***

The proposed new committee was thought to be a possible source of ideas for projects. Possible funding for these ideas might be provided through grants submitted to the Petersen Trust Committee. Those indicating interest on serving on such a committee included Bob Hazen, Grand River Squares; Gary Dougan, Midnight Squares; Kevin Robertson, Magic City Diamonds; Michael Spayd, Cleveland City Country Dancers; and the GCA would like to provide a representative. Several delegates expressed interest in developing a promotional video: Andy Shore, GCA; Joy Gosswiller, Rocky Mountain Rainbeaus; Bob Hazen, Grand River Squares. Karl Jaeckel indicated that he has the files available from the previous promotional video effort. The question was raised how groups in formation might avail themselves of those resources in a timely fashion. During the coming year this committee will build membership, will develop a plan of action, and will begin developing materials to address club development and club expansion issues.
